Program Announcements

Summer is almost here! Spring Semester ends 5/6 and our Summer Enrichment schedule begins 5/9.

Susette is retiring! Join us on Susette's last in person program day, 5/9, or her last online program day, 5/12, to congratulate her and celebrate her time at Krempels Center

The annual Cisco Brewers Portsmouth 5k supporting Krempels Center will be 5/29. We hope to see you there in person or participating virtually.
